If irritation persists, seek medical attention.

Section V – Fire Fighting Measures

Extinguishing Media: Use carbon dioxide, dry chemical, water spray or foam.

Hazardous Combustion Products: None Determined.

Fire Fighting Equipment: Normal firefighters gear.

Section VI – Accidental Release Measures

Containment: Contain contents.

Clean-up Procedures: Follow Federal, State, and Local Guidelines for proper waste disposal.

Special Instructions: None

Section VII – Handling and Storage

Safe Handling Precautions: Keep off any surfaces.

Safety Storage Precautions: None

Section VIII – Exposure Controls/Personal Protection

Exposure Limits: None established

Engineering Controls: None

Personal Protection: None required for normal consumer use.

Section IX- Physical and Chemical Properties

Appearance: Rectangle shaped paper air freshener with plastic netting.

Odor: Multiple aromas

Odor threshold:

pH: Not Applicable

Melting point/freezing point: Not Applicable

Initial boiling point: Not Applicable

Flash Point: Not Applicable

lower and Upper Explosive Limits (LEL): Not Applicable

Evaporation Rate: Not Determined

Flammability (solid, gas): Not Determined

Vapor Pressure: Not Determined

Vapor Density: Not Determined

Relative Density: Not Determined

Solubility: Insoluble

Specific Gravity: Not Determined

Partition coefficient (n-octanol/water):

Auto-ignition temperature: Not

Determined Decomposition temperature: Not

Determined Viscosity:

Not Determined

Section X- Stability and Reactivity

Reactivity: None known

Stability: Stable.

Possibility of Hazardous Reactions: Conditions to

Avoid: None known

Incompatibility: None known

Hazardous Decomposition Products:None known

Section XI- Toxicological Information

The fragrance used in this product is formulated to comply with Auto Scents Inc. guidelines regarding their safe use in consumer products.

Skin: Ingestion:

Skin Corrosion/Irritation

Carcinogenicity: This product is not listed as a carcinogen by ACGIH, IARC, NIOSH, NTP, CARS or OSHA.

Section XII - Ecological Information

This product is not expected to pose a hazard to the environment.

Section XIII - Disposal Considerations

Follow Federal, State, and Local Guidelines for proper waste disposal.

Section XIV - Transport Information

DOT: Non-Hazardous/Not Regulated
ICAO/IATA: Non-Hazardous/Not Regulated
IMDG: Non-Hazardous/Not Regulated

Section XV - Regulatory Information

Federal Hazardous Substance Act (FHSA): Product is exempt from the provisions of the FHSA.

Toxic Substance Control Act (TSCA): Components are not on the TSCA Inventory.

California Proposition 65: This product does not contain Proposition 65 chemicals above thresholds and does not require warning labeling.

Canada: This product has been classified in accordance with the Controlled Products Regulations (CPR) and is exempt from the provisions of the Consumer Chemicals and Containers Regulations (CCCR).

Section XVI - Other Information

The information on this SDS was obtained from current and reliable sources. However, the data is provided without warranty, expressed or implied, regarding its correctness or accuracy. It is the user's responsibility to determine safe conditions for use, and to assume liability for loss, injury, damage, or expense resulting from improper use of this product.
